## **About EcoBlend Solutions**

EcoBlend Solutions develops environmentally responsible industrial cleaning solutions designed for professional industries. Our mission is to deliver powerful cleaning chemistry while reducing environmental impact through safer formulations and sustainable practices.

### **Industries Served**

- Aviation
- Industrial Facilities
- Power Washing
- Commercial Buildings
- Marine & Watercraft
- Equipment Maintenance

## **Sustainability Commitment**

EcoBlend Solutions products are designed to deliver professional performance while supporting environmental responsibility. Our formulations prioritize biodegradable ingredients, reduced harsh solvents, and safer working environments.

- Biodegradable ingredients
- Reduced environmental impact
- Low odor professional formulations
- Safer for workers and facilities

# PUREPOWER X

High performance eco friendly degreaser designed for industrial and commercial cleaning applications.

## ***Recommended Dilution Ratios***

Application	Dilution Ratio
Light Cleaning	20 : 1
General Cleaning	10 : 1
Heavy Duty	5 : 1

## ***Applications***

- Industrial cleaning
- Facility maintenance
- Equipment degreasing
- Commercial surface cleaning

## ***Available Packaging***

1 Gallon • 5 Gallon Pail • 55 Gallon Drum • 275 Gallon Tote

# ECOFORCE HD

Heavy duty multi purpose cleaner formulated to remove grease, oils, and stubborn contaminants.

## ***Recommended Dilution Ratios***

Application	Dilution Ratio
Light Cleaning	20 : 1
General Cleaning	10 : 1
Heavy Duty	5 : 1

## ***Applications***

- Industrial cleaning
- Facility maintenance
- Equipment degreasing
- Commercial surface cleaning

## ***Available Packaging***

1 Gallon • 5 Gallon Pail • 55 Gallon Drum • 275 Gallon Tote

# BIOLIFT

Advanced biological cleaner formulated with enzyme technology to break down organic waste and eliminate odors.

## ***Recommended Dilution Ratios***

Application	Dilution Ratio
Light Cleaning	20 : 1
General Cleaning	10 : 1
Heavy Duty	5 : 1

## ***Applications***

- Industrial cleaning
- Facility maintenance
- Equipment degreasing
- Commercial surface cleaning

## ***Available Packaging***

1 Gallon • 5 Gallon Pail • 55 Gallon Drum • 275 Gallon Tote

# PUREETCH

Industrial surface preparation and etching cleaner designed for demanding facility and equipment maintenance.

## ***Recommended Dilution Ratios***

Application	Dilution Ratio
Light Cleaning	20 : 1
General Cleaning	10 : 1
Heavy Duty	5 : 1

## ***Applications***

- Industrial cleaning
- Facility maintenance
- Equipment degreasing
- Commercial surface cleaning

## ***Available Packaging***

1 Gallon • 5 Gallon Pail • 55 Gallon Drum • 275 Gallon Tote

## **Packaging & Distribution**

- 1 Gallon Bottles
- 5 Gallon Pails
- 55 Gallon Drums
- 275 Gallon Totes
